For this time all the rest depart away:
You *Capulet* shall goe along with me;
And *Mountague* come you this afternoone,
To know our farther pleasure in this case:
To old Free-towne, our common iudgement place:
Once more on paine of death, all men depart.

Exeunt.

Mount. Who set this auncient quarrell new abroach?
Speake Nephew, were you by, when it began?
Ben. Here were the seruants of your aduersarie
And yours close fighting ere I did approach,
I drew to part them, in the instant came
The fiery *Tibalt*, with his sword prepard,
Which as he breath'd defiance to my eares,
He swong about his head and cut the windes,
Who nothing hurt withall, hist him in scorne:
While we were enterchanging thrust and blowes,
Came more and more, and fought on part and part,
Till the Prince came, who parted either part.
Wife. O where is *Romeo*, saw you him to day?
Right glad am I, he was not at this fray.
Ben. Madam, an houre before the worshipt Sunne.
Peerde forth the Golden window of the East,
A troubled mind draue mee to walke abroad,
Where vnderneath the groue of Syramour,
That Westward rooteth from this City side:
So early walking did I see your sonne,
Towards him I made, but hee was ware of mee,
And stole into the couert of the wood,
I measuring his affections by my owne,
Which then most sought, where most might not be found:
Being one to many by my weary selfe,
Pursued my humour, not pursuing his,
And gladly shunned, who gladly fled from me.
Mount. Many a morning hath he there beene seene,
With teares augmenting the fresh mornings dewe,
Adding to cloudes, more clouds with his deepe sighes,

But all so soone as the all cheering Sunne,
Should in the farthest East begin to draw,
The shadie curtaines from *Auroras* bed,
Away from light steales home my heauy sonne,
And priuate in his Chamber pennes himselfe;
Shuts vp his windowes, locks faire daylight out,
And makes himselfe an artificiall night,
Blacke and protendous must this humour proue,
Vnlesse good Counsell may the cause remoue.
Ben. My noble vncle doe you know the cause?
Moun. I neither know it, nor can learne of him
Ben. Haue you importunde him by any meane
Moun. Both by my selfe and many other friend
But hee his owne affections Counseller,
Is to himselfe (I will not say how true)
But to himselfe so secret and so close,
So farre from sounding and discouery.
As is the bud bit with an enuious worme,
Ere hee can spread his sweete leaues to the ayre,
Or dedicate his beauty to the same.
Could we but learne from whence his sorrowes g
We would as willingly giue cure, as know.

Enter Romeo.

Benu. See where hee comes, so please you step
Ile know his greeuance or bee much denide.
Moun. I would thou wert so happy by thy stay
To heare true shrift, come Madam lets away.
